EMERGENCY RESCUE

3m Rescue Sled: P/N TBA

SEARCH & RESCUE

The Zodiac Emergency Rescue Boat (ERB) range has been specifically designed to meet the demanding requirements of the search and rescue organizations throughout the world.

Our rescue sled is a robust inflatable platform with anti slip surface designed for rapid deployment. Attached behind an inflatable, or rigid inflatable rescue craft, The sled can be towed at speed, and is ideal for mass evacuation, transporting people from flood and surf scenarios.

Can be used independently as a rescue platform to rescue casualties from shallow water, mud, ice, sand and unstable ground.
